BEHIND KEEN SUCCESSFUL MEN AND WOMEN

When you think of the successful men and women you know—people who are doing things worth while—you will find that they possess force, vim and energy—the kind that simply brim ever when the blood is filled with iron. Nuxated Iron by enriching the blood and creating new red blood cells, strengthens the nerves, rebuilds the weakened tissues and helps to instill renewed force and energy into the whole system. Three million people use it ansystem. Three on people use it au-

MAKE THIS TEST

See how long you can work or how far you can walk without becoming tired; next take two five-grain tablets of Nuxated Iron three times per after meals for two weeks. Then test your strength again and see how much you have Numbers of nervous, run-down people the were ailing all the while have most astonishingly increased their strength and endurance mply by taking iron in the proper form.

DANIELSON AND PUTNAM NEWS

DANIELSON

County Game Warden Harry Battey of East Killingly is not much impressed with the repeated reports that partridges are present in hosts in the country hereabouts this season. The warden has been much in the woods during the hunting season and has seen some partridge, but not over seven or eight in one day's tramp, he said Tuesday noon. The warden says he has interviewed a number of hunters who were out in the brush, but found all to be without partridge. The Killing of which is forbidden this sea-

Today rounds out the third mont of the trolley strike on the local lines. To date it is not evident to anyone that the strike has been of benefit either to the public, the company or those who went on strike. In a word, it has been a losing proposition from every important viewpoint.

At the semi-annual meeting of the Windham County Medical association to be held at the Attawaugan hotel here tomorrow (Thursday) Dr. J. A. Girouard of Willimantic will preside, as president of the association. Following the opening of the meeting, the minutes of the last meeting will be held and then there will be a reception for the delegates.

for the delegates.

The remainder of the business session will be given over to the reading of reports, election of new members and other routine business.

Base Hospital Organization will be the subject of a paper by Dr. L. I. Mason of Willimantic, who was in the service with the rank of major during the war.

Notes on the Transition of the reception

the war.

Notes on the Treatment of the Eye will be the subject of a paper by Dr. George M. Burroughs of Danielson, and Erysipelas the subject of a paper by Dr. A. D. Marsh of Hampton.

A secre or more of physicians are expected at the meeting and a dinner will be served them at the hotel.

Many were present Tuesday evening at the home of Mr. and Mrs. J. W. Gallup to attend the farewell reception arranged by the Crusaders of the Eaptist church in honor of Rev. and Mrs. J. Albert Vachon, who are leaving this week for Cheshire, Mass., where Mr. Vachon will take up the work of his first pastorate. He has recently concluded a long period of service in Y. M. C. A. work, being stationed at Camp Devens.

Today, October 15, is very much of a day in the calendar of those who get their greatest sport of the year in hunting coons. The law on these animals is "off" today, and tonight will find the premier bands of coon hunters of Killingly in the woods, and tonight to the premier bands of coon hunters of Killingly in the woods, and to the premier bands of coon hunters of Killingly in the woods, and the premier bands of coon hunters of Killingly in the woods, and the premier bands of the premi xious for the first captures of the sea-son. Coon are said to be plentiful this fall in territory in this part of Wind-

At the present time there are 22 inmates at the Killingly town farm near Dayville. This well kept institution is under the very efficient charge of Mr. and Mrs. Oliver Bassect, and the men and women whom the misfortunes of life have brought to the home are very well cared for, are well fed, sleep in steamsheated well-lighted rooms and are generally free from the cares and worries attendant upon the high cost of living, the bane of the majority of peoples lives at the present time.

There seems to be a misunfer.

There seems to be a misunderbouts over the matter of getting permits" to hunt on properties where ame abounds. It was stated Tuesday that the so-called permits are required to trap, not bunt as the term is generally understood on such lands. If land is not posted, a bunter may assume he will not be interfered with if he trespasses upon it; but he may be tree trees or sparses on this same not set trans, or snares, on this same land without getting a permit from the owner thereof. Hunting or trapping on posted land invites, of course. P rosecution by the owner of the prop

prosecution by the owner of the property.

The Unpardonable Sin was the feature bicture offering at the Ornheum theater Tuesday afternoon and evening and attracted large attendance.

Misses Beatrice and Lauretta Lambert and Earl Bartlett and W. A. Reddy were among the people from this vicinity who attended the reception given at Goodyear in honor of Mr. and Mrs. Albert Diggett.

J. Carl Witter, assisted by his brother. N. A. Witter was at Pomfret on Tuesday conducting a hig auction sale at the George L. Bradley estate, the sale being one of the largest of its kind in this section for a long time.

Henry White, who has been em-

kind in this section for a long time.

Henry White, who has been employed as a machinist at the mill of the Wauregan company, died at his home on Broad street here during the early hours of Tuesday morning. The announcement of Mr. White's death came as a surprise to his many friends here and at East Killingly, where he formerly resided. He had been ill only a few days, being seized, during the latter part of last week with an attack of acute indigestion. Mr. White leaves his wife, who was Miss Ida Fogg, and one son, Allen Henry White, of Norwich.

one son, Allen Henry White, of Norwich.

The vote of the burgesses to take action, even to the extent of prosecution, against those who have determinedly refrained from obeying the borough provision relative to abating nuisances arising from outside closets has stirred up interest that it is believed will result with ridding the borough of some of the nuisances complained of.

Giant beans grown by Waldo Barbeau of Dyer street attracted much attention when displayed in a show window at George F. Davignon's store. One of the beans is over 30 inches in length and of a variety originally from the Solomon islands, in the Pacific.

The communities of the town of Killingly are due for continued growth and expansion is attested by the fact that new dwellings are now in the course of construction for the Connecticut Mills company in Damelson and the Assawaga Woolen company at Dayville. The Goodyear Mills company also making ready to erect 25 new dwellings. Killingly's population will reach the 10 000 mark during 1920, it is now expected.

it is now expected.

Before Justice Charles Wood at Wduregan Tuesday, Augustus Conture was fined 1f and costs amounting to \$17.66 for having in his possession out of the open season skunk pelts. The season for taking skunks does not open until Nov. I. Couture had a number of the pelts. The case against him was brought by County Game Warden Harry Battey, of East Killingly.

warden harry bates, was held from his home in Attawaugan Tuesday morning with the funeral service at St. Joseph's church in Dayville. Rev. Ignatius Kost was the celebrant of the requiem mass. The bearers were Felix Parr. Alexande Barbeau. Oliver Tetreault. Henry Couillard. Alfred Seymour and George La Fontaine. Burial was in St. Joseph's cemetery. L. E. Kennedy was the funeral director.

Members of the committee, choir singers and others who contributed in various ways to make a success of the golden jubilee observance of St. James' parish were entertained Tuesday evening as guests of Rev. M. J. Ginet at St. James' parish hell.

L. F. Battey has been named by the town school committee to be principal of the night school, which will open its sessions next Monday evening. Principal Battey's salary is to be \$15

On account of a new state law that requires that children under 16 years of age who have not completed eighth grade work shall attend dight school or give up their work and attend day school, the attendance of Putnam's night school will be very large compared to other years.

It is anticipated that the school will It is anticipated that the school will open with at least 125 pupils and the number may run beyond 150, depend-

von i ramper **Your Stomach**

Fear of Dyspepsia Robs the Entire System of Necessary Nutriment. Eat a Diversified Meal and With Stuart's Dyspepsia Tab-lets You Will Avoid the Distress of Indigestion.

Just because the stomach sours with gassiness, heartburn, water brash and such distresses after eating, is not a good reason for depriving the system

of nourishment.

Instead of indigestible and innutritious bran and skim milk try the better plan of eating what you like and follow your meals with Stuart's Dyspepsia Tablets. They digest food, they assist the stomach to secrete Dyspepsia Tablets. They digest food, they assist the stomach to secrete juices that keep the stomach sweet, active and with the alkaline effect, just as when the stomach is in perfect health. Nor is it necessary to discriminate. You may eat freely of onions, sausage, mince pie and baked beans, or other dishes, such as the average dyspeptic views with horror, and suffer no distress if you follow with Stuart's Dyspepsia Tablets. There is thus no need to fear any kind of food at any time or place, for with these tablets, you may prevent those distresses that formerly made you pamper your stomach as if it were a tender infant. You can get Stuart's Dyspepsia Tablets in any drug store at 36 cents a box.

WHY IS IT?

THAT FOR OVER EIGHTY YEARS

Have been used for Constipation and Bilious Disorders

YOUR DRUGGIST KNOWS

Are you suffering from over fatigue?

EW people realize the tremend- erasers. To secure the resiliency and ous fatigue that comes from standing or walking all day on hard leather heels. See what Dr. A. F. Currier of the New York Globe says, in the clipping reproduced above, to a man who has to stand on his feet ell day. Every moment you stand, every step you take on hard pavements and floors, is a tax levied on your energy.

What Dr. Currier says, applies to nearly every worker. Even though you work at a desk all day, you suffer from the jolts and jars of pounding around on hard floors and pavements.

You can protect yourself from these useless shocks. You can cushion your steps against the daily jolts and jars. O'Sullivan's Heels absorb the shocks that tire you out.

O'Sullivan's Heels their springiness and wearing qualities. Rubber, as you know, can be made

It is not just the rubber that gives

since the making of the first rubber heel, established O'Sullivan's Heels as the standard of rubber heel quality. O'Sullivan's Heels are guaranteed to wear twice as long as ordinary rubber heels; and will outlast three
